

At Allwood, we embrace the beauty and variation created by nature. While every sample is created directly from stock, it is not possible to display all variations in color and character in each sample. Always make sure to approve the actual flooring before installation, not just the sample. Every plank is unique which is one of the things we love about what we do. Allwood quality is backed with a Lifetime Structural Warranty and a 25 Year Finish Warranty.

Hickory

5 INCH (FRE-114-3-5-AH)

The look of a Hickory floor conjures such a distinctively comfortable image that it's easy to picture yourself curling up on the couch in front of the fire with a cup of cocoa and a good book. But paired with an Eames Lounge chair, concrete counter tops, and exposed duct work; Hickory can also transform a room into the perfect model of urban trendiness.
