At Allwood, we embrace the beauty and variation created by nature. While every sample is created directly from stock, it is not possible to display all variations in color and character in each sample. Always make sure to approve the actual flooring before installation, not just the sample. Every plank is unique which is one of the things we love about what we do. Allwood quality is backed with a Lifetime Structural Warranty and a 25 Year Finish Warranty.

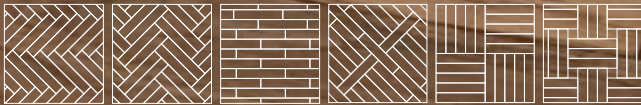

One floor, Infinite designs.

Herringbone Multi-Pattern
