

At Allwood, we embrace the beauty and variation created by nature. While every sample is created directly from stock, it is not possible to display all variations in color and character in each sample. Always make sure to approve the actual flooring before installation, not just the sample. Every plank is unique which is one of the things we love about what we do. Allwood quality is backed with a Lifetime Structural Warranty and a 25 Year Finish Warranty.

Hayden

7 INCH (FREB-7-HDN)

Hayden Island has gone by many names since its discovery in 1792, once even called "Image Canoe Island" by none other than Lewis and Clark themselves. Just north of downtown Portland, in the middle of the Columbia River, the island's beaches are a popular summer-time spot, and were our inspiration when searching for what to name this wonderfully sandy, sun-tanned wood floor.
