

At Allwood, we embrace the beauty and variation created by nature. While every sample is created directly from stock, it is not possible to display all variations in color and character in each sample. Always make sure to approve the actual flooring before installation, not just the sample. Every plank is unique which is one of the things we love about what we do. Allwood quality is backed with a Lifetime Structural Warranty and a 25 Year Finish Warranty.

## Teton

7 INCH (FREB-7-TTN\*)

Not rustic...not modern...somewhere in the middle—our Teton is one of those happy accidents that sometimes occur when finishing real wood flooring. It started as an attempt to recreate our Smoked Oak but we didn't get the variation we were aiming for. However, we were so impressed by what we did get that we decided it deserved its own name. It's a deep, neutral-brown that's ruggedly beautiful and built to last.
